## **Dear Valued Community Member,**

The Chamber's mission is to "promote and advance the economic, civic, and social growth of East Lee County." The East Lee County Chamber of Commerce will be celebrating its 58th Anniversary on Saturday, June 19, 2021, and we would like YOU to play an essential part in this event. We will recognize the achievements of the past year as well as giving an outlook into 2021. This past year has been a challenge like none other for our communities.

The Annual Awards Gala will be a celebration of the achievements of 2020. It will include a silent auction, a fabulous dinner, entertainment, and of course, our annual Awards Presentations honoring those who have made a difference in our community over the last 12 months. To make this a night to remember, we would like to ask you to consider being a sponsor of this event.

The East Lee County Chamber of Commerce would be honored if you and your company members would attend the Annual Awards Gala to give us a chance to thank you and recognize you for your support during this year.

Thank you for considering a sponsorship! And thank you for your support of the East Lee County Chamber of Commerce and the Education Fund.

Sincerely,

*Michael Welch*
